“The great thing about ONE LICENSE is that there is easy access to quality images of almost any song or hymn that you might want for a worship aid. The music is easy to find and retrieve in a workable format. Members of the assembly benefit from attractive, helpful, complete worship aids, and those who prepare them can do it with much less hassle and in far less time. This venture speaks to the possibilities of cooperation and collaboration. Thanks to those who make it possible.”

—Fr. Tom Lindner, Pastor
St. Anne Parish | Wausau, WI
